

# 93 Supreme

## Pell

[chorus]  
Ok, now fill it up  
'93 Supreme  
We got gasoline  
I should've stopped  
But I need some wings  
Come and fly with me  
Deja Vu  
It's the same old scene  
My life in a dream  
And they can't stop  
What we meant to be  
Tell 'em C'est la Vie  
x2Never rolled the dice  
But God knows I've been lucky  
I never chose what's right  
My inception is tonight  
You never told a lie  
So please don't say you love me  
Just rumble this OG  
And let a lesson through the pipe You don't wanna feel no more  
Me too (me too)  
Sprawlin' out on my floor  
Just lost (in the groove)[chorus x2]Never rolled the dice  
But know you wanna fuck me  
So cut off all the lights  
And illuminate the night  
Brillo's rolled tight  
So let's enjoy the sticky  
I hit it as you like  
My objective ain't to slide Confident but immature  
Can't run (from the truth)  
But ever since I took you home  
We lost (to the groove)[chorus x2]Oh, oh, oh  
O-oh  
Oh, oh, oh  
Oh, oh  
x2
