# ANY DREAM WILL DO

## Rian Ungerer

I closed my eyes, drew back the curtain
To see for certain what I thought I knew
Far, far away, someone was weeping
But the world was sleeping, any dream will do
I wore my coat with golden lining
Bright colors shining, wonderful and new
And in the east, the dawn was breaking
And the world was waking, any dream will do
A crash of drums, a flash of light
My golden coat flew out of sight
The colors faded into darkness
I was left alone
May I return to the beginning
The light is dimming and the dream is too
The world and I, we are still waiting
Still hesitating, any dream will do
Any dream will do
A crash of drums, a flash of light
My golden coat flew out of sight
The colors faded into darkness
I was left alone
May I return to the beginning
The light is dimming and the dream is too
The world and I, we are still waiting
Still hesitating, any dream will do
Any dream, any dream, any dream, any dream will do
Any dream, any dream, any dream, any dream will do
Any dream, any dream, any dream, any dream will do
