

# Love Somebody

## KIDZ BOP Kids

I know your insides are feeling so hollow  
And it's a hard fact for you to swallow, yeah  
But if I fall for you  
I'll never recoverIf I fall for you  
I'll never be the same  
I really wanna love somebody  
I really wanna dance the night awayI know we're only half way there  
But it takes me all the way  
It takes me all the way  
I really wanna love somebodyI think about you every single day  
I know we're only half way there  
But it takes me all the way  
It takes me all the wayYou're such a hard act for me to follow  
Love me today don't leave me tomorrow, yeah  
But if I fall for you  
I'll never recoverIf I fall for you  
I'll never be the same  
I really wanna love somebody  
I really wanna dance the night awayI know we're only half way there  
But it takes me all the way  
It takes me all the way  
I really wanna love somebodyI think about you every single day  
I know we're only half way there  
But it takes me all the way  
It takes me all the wayOh Whoa, Oh Oh Oh Oh Oh  
Oh Oh Oh Oh Oh OhI don't know where to start  
I'm just a little lost  
I wanna feel like we're never gonna ever stop  
I don't know what to doI'm right in front of you  
Asking you to stay  
You should stay, stay with me today, yeah  
I really wanna love somebodyI really wanna dance the night away  
I know we're only half way there  
But it takes me all the way  
It takes me all the wayI really wanna love somebody  
I think about you every single day  
I know we're only half way there  
But it takes me all the wayIt takes me all the way  
Oh Oh Oh Oh Oh Oh

Oh Oh It takes me all the way  
It takes me all the way, yeah
