Animosity

Waco Jesus

We are low life motherfucking scum the epitome of human degradation fuck you we are all headed for oblivion the end of every thing is the way it has to be this world shit unconscious the apocalypse is the final consequence global terrorism us verses them mother fucking mayhem. Exercise extreme predjudice and hate catastrophic campaign get out of our fucking way bring them to their knees mark my fucking words No regrets, fuck them they got what they deserved pummeling leveling every thing it's all or fucking nothing we will become infamous at any cost you don't want to challenge us The end is fucking here mother fucker are you prepared to settle the fucking score or just shut the fuck up they never seen it coming they fucking died with no resistance our mind set is our message to this world kill be killed we have no fucking conscience, total apathy one hundred fucking percent animosity no repention and no remorse the only way is all out war to advance you must kill, our sole objective is the annihilation of you bring them to their knees at any means Bring them to their knees, at any means kill them all.....
