Hitchhike

kolaj

[Verse 1]
I've never seen someone care so much
About the wrong ego the way you do
So you pull your foot down a step too far
Thinking that I'd never take off on you[Pre-Chorus]
Cause we could work it through
But you're too stubborn to
So I'm gonna proove
I've got far enough from you
[Chorus]
If I step out the door
I'm gonna hitchhike the runway
Cause when I live [?] I still run
You'd probably send me the wrong way[Verse 2]
I shouldn't have to be there when boy meets world
You act like no one's ever said no to you
You write it as a poster, be equal upon us
The way we drop a warhead like a stat of two [?][Pre-Chorus]
Cause we could work it through
But you're too stubborn to
So I'm gonna proove
I've got far enough from you[Chorus]
If I step out the door
I'm gonna hitchhike the runway
Cause when I live [?] I still run
You'd probably send me the wrong way[Post-Chorus]
Yeah I hitchhike on the runway
Yeah I hitchhike on
Yeah I hitchhike on the runway
Yeah I hitchhike on[Bridge]
If we met down the road
You'd probably treat me the same way
So I can't pull a run
Now I need you behind me[Chorus]
If I step out the door
I'm gonna hitchhike the runway
Cause when I live [?] I still run
You'd probably send me the wrong way[Post-Chorus]
Yeah I hitchhike on the runway

Yeah I hitchhike on
Yeah I hitchhike on the runway
Yeah I hitchhike on
