Forever More

The Bluebells

And if I drown in this sea of devotion
Just a stone left unturned
My need is deep wide endless oceans
Feel it furious the fire burns on
Let there be love, everlasting
And it will live eternally
Will we receive without ever asking?
I'm just curious
Got to find me somebody
But there's nobody to love me
And it's driving me crazy
There's nobody to love me
Somebody tell me
How could there be nobody, nobody to love me
And this life is so empty
There's nobody to love me
Endless tears, forever joy
To feel most every feeling, forever more
Endless tears, forever joy
To feel most every feeling, forever more
Endless tears, forever joy
To feel most every feeling, forever more
Endless tears, forever joy
To feel most every feeling, forever more
And if I drown in this sea of devotion
Just a stone left unturned
My need is deep wide endless oceans
Feel it furious the fire burns on
Let there be love, everlasting
And it will live eternally
Will we receive without ever asking?
I'm just curious
Don't want to see me crying
Just want to see me flying
I need to get so high and
Want somebody to blow my mind
Don't want to see me crying
Just want to see me flying
I need to get so high and

Want don't you blow my mind
Blow my mind, blow my mind
Got to find me somebody
But there's nobody
To love me
Anybody could love me
And it's driving me crazy
There's nobody to love me
Anybody could love me
Somebody to hold my hand
Someone who understands
Somebody to help me write
The poetry of life
Someone to love me
Someone who loves me
Ooh baby
Endless tears, forever joy
To feel most every feeling, forever more
Endless tears, forever joy
To feel most every feeling, forever more
Endless tears, forever joy
To feel most every feeling, forever more
Endless tears, forever joy
To feel most every feeling, forever more
Got to find me somebody
But there's nobody to love me
And it's driving me crazy
There's nobody to love me
Most every feeling
Most every feeling
Most every feeling
Most every feeling
Most every feeling
Most every feeling
