## Rebelution

Hey  
Oh, okay, oh Making my way, baby  
Nothing can't stop me, baby  
Now I'm going straight  
(Rebelution) I won't play by rules, baby  
Thinking with my head, baby  
I'll go against the flow  
(Rebelution) Baby, I couldn't live like you want me to  
Baby, got to be true and I'm gonna do Get out my rebelution  
Get out, get on  
Break out, I'm not a loser  
Stand up, hands up Get out my rebelution  
Get out, get on  
Straight up, I am a fighter  
Stand up, hands up I keep livin' my life  
'Cause I'm a special girl, got it?  
Get out my rebelution  
Get out, get on I can see through, baby  
Try to remember, baby  
So freedom is my way  
(Rebelution) I like myself, baby  
I'm no, yes, man, baby  
You must be brave right now  
(Rebelution) Baby, I couldn't live like you want me to  
Baby, got to be true and I'm gonna do Get out my rebelution  
Get out, get on  
Break out, I'm not a loser  
Stand up, hands up Get out my rebelution  
Get out, get on  
Straight up, I am a fighter  
Stand up, hands up I keep livin' my life  
'Cause I'm a special girl, got it?  
Get out my rebelution  
Get out, get on Okay  
My rebelution Get out my rebelution  
Get out, get on  
Break out, I'm not a loser  
Stand up, hands up Get out my rebelution  
Get out, get on

Straight up, I am a fighter  
Stand up, hands up I keep livin' my life  
'Cause I'm a special girl, got it?  
Get out my rebelution  
Get out, get on My rebelution, baby, yeah  
I am a fighter, baby, oh I keep living my life  
'Cause I'm a special girl, got it?  
Get out my rebelution  
Get out, get on
