

# Hold My Hand (Vocals Only Version)

**Maher Zain**

I hear the flowers kinda crying loud  
The breezes sound in sad  
Oh no  
Tell me when did we become,  
So cold and empty inside  
Lost a way long time ago  
Did we really turn out blind  
We don't see that we keep hurting each other no  
All we do is just fight Now we share the same bright sun,  
The same round moon  
Why don't we share the same love  
Tell me why not  
Life is shorter than most have thought Hold my hand  
There are many ways to do it right  
Hold my hand  
Turn around and see what we've left behind  
Hold my hand my friend  
We can save the good spirit of me and you  
For another chance  
And let's pray for the beautiful world  
The beautiful world I share with you Children seem like they've lost their smile  
On the new blooded playgrounds  
Oh no  
How could we ignore , heartbreaking crying sounds  
And were still going on  
Like nobody really cares  
And we just stopped feeling all the pain because  
Like it's a daily basic affair Now we share the same bright sun,  
The same round moon  
Why don't we share the same love  
Tell me why not  
Life is shorter than most have thought Hold my hand  
There are many ways to do it right  
Hold my hand  
Turn around and see what we've left behind  
Hold my hand my friend  
We can save the good spirit of me and you  
For another chance  
And let's pray for the beautiful world

The beautiful world I share with you  
No matter how far I might be  
Im always gonna be your neighbor  
Theres only one small planet where to be  
So Im always gonna be your neighbor  
We cannot hide, we can't deny  
That were always gonna be neighbors  
Your neighbor, my neighbor  
We're neighbors  
So hold my hand  
There are many ways to do it right  
Hold my hand  
Turn around and see what we've left behind  
Hold my hand  
There are many ways to do it right  
Hold my hand  
Turn around and see what we've left behind  
Hold my hand my friend  
We can save the good spirit of me and you  
For another chance  
And lets pray for the beautiful world  
The beautiful world I share with you
