The Derek Trucks Band

You were talking and I thought I heard you say
"Please, leave me alone
Nothing in this world can make me stay
I'd rather go back, I'd rather go back home"But if you believed in me
Like I believe in you
We could have a love so true
We would go on endlesslyAnd I know anyday, anyday
I will see you smile
Anyway, anyway
Only for a little whileWell, someday baby, I know you're gonna need me
When this whole world has got you down
I'll be right here so woman, call me
And I'll never ever let you down
But if you believed in me
Like I believe in you
We could have a love so true
We would go on endlesslyAnd I know anyday, anyday
I will see you smile
Anyway, anyway, just for a little while
Only for a little whileAnd I know anyday, anyday
I will see you smile, I will see you smile
Anyway, anyway
Only for a little whileBreak the glass and twist the knife into yourself
You've got to be a fool to understand
To bring your woman back home after she's left you for another
You've got to be a, you've got to be a man, you've got to be a man
But if you believed in me
Like I believe in you
We could have a love so true
We would go on endlesslyAnd I know anyday, anyday
I will see you smile
Anyway, anyway, just for a little while
Only for a little whileAnyday, anyday
I will see you, I will see you smile
Anyway, anyway
[Incomprehensible]Anyday, anyday
I will see you smile
[Incomprehensible]
Anyway, anyway, just for a little

Just for a little while
