

Gasoline

Steve Arrington

Oh well, oh well
Guess you've got it all worked out so far
 You adjust your reason
Until you see the light from where you are
 But you can never win
 You can never lose
 That's the worst part
You can only say that what you want
 Is where you are
 You're beautiful, girl
 Won't you listen to me?
 Well, I tried so hard
 To give you what you need
 And it burned like gasoline
 Oh well, oh well
 It never took a lot to make this hard
 'Cause you're so off balance
And I knew all the words to set you off
 But you can never win
 You can never lose
 That's the scorned heart
Then you throw your head back
 And you laugh at where we are
 You're beautiful, girl
 Won't you listen to me?
 Well, I tried so hard
 To give you what you need
 And it burned like gasoline
 Won't you listen to me?
 Well, I tried so hard
 To give you what you need
 And it burned like gasoline
 Gasoline, gasoline, gasoline
 You're beautiful, girl
 Won't you listen to me?
 Well, I tried so hard
 To give you what you need
 And it burned like gasoline
 Won't you listen to me?

Well, I tried so hard
To give you what you need
And it burned like gasoline
 Burned like gasoline
 Burned like gasoline
