Flowers In The Attic

The Jezabels

I might start nooky right now
To get a reaction
Cause I gets me feeling like
I'm scoring a hat-trickCall all my friends
Tell 'em come over
We'll be around
Once we've had a cry
On each other's shoulderLike flowers in the attic
We're grinnin' with confusion
I never meant to let you down
I'm just your puppy dog
We should be somewhere right now
Where are we at some
Take my hand and point at the sky
And call me a brotherLike flowers in the attic
We're grinnin' with confusion
I never meant to let you down
I'm just your puppy dogAnd now I'm finally learning
The depth of the illusion
Just go ahead and leave me now
I'm just your puppy dogAnd is life unfair?
Do you feel alone?
And you should have known
Is it unfair
She was all alone
In a fury
I never meant to let you down
Just go ahead and leave me now
I'm your puppy dogYou are my whole life
My best friend
