

Rainbow High

Patti LuPone

Eva:

I don't really think I need the reasons why I won't succeed
I haven't started
Let's get this show on the road
Let's make it obvious Peron is off and rolling I came from the people
They need to adore me
So Christian Dior me
From my head to my toes
I need to be dazzling
I want to be rainbow high
They must have excitement
And so must I'm their product
It's vital you sell me
So Machivell me
Make an Argentine rose
I need to be thrilling
And I shall be rainbow high
They need their escape and so do I All my descamisadoes expect me to outshine the enemy
The aristocracy I won't disappoint them I'm their savior
That's what they call me
So Lauren Bacall me
Anything goes
To make me fantastic
I have to be rainbow high
In magical colors You're not decorating a girl for a night on the town
And I'm not a second-rate queen getting kicks with a crown Next stop will be Europe
The rainbows gonna tour
Dressed up somewhere to go
We'll put on a show Look out, mighty Europe
Because you oughta know what you're gonna get in me
Just a little touch of
Just a little touch of
Argentina's brand of star quality
