Bustin' Out

Rick James

Well, alright you squares it's time you smoked
Fire up this funk and let's have a toke
It'll make you dance and some of everything
Everybody get high, singBustin' out, bustin' out
Bustin' out, bustin' out
Bustin' outWe're bustin' out of this L seven square
Freaks like you and I could never funk on there
We're bustin' out, everybody come along
We're gonna dance on the funk and make love on this song
We're bustin' out and if everyone agrees
Put your hands in the air and sing along with meWe're bustin' out on the funk
We're bustin' out on some serious funk, y'all
We're bustin' out on the funk
We're bustin' out on some serious funk, y'allBustin' out, bustin' out
Bustin' out, bustin' out
Bustin' outWe're bustin' out of this serious joint
It was too square for me, do you get my point
We're bustin' out now we're free from the square
We done braided our hair, we don't mind if you stare
We're bustin' out and we don't give a damn
If you don't like our funk then take your stuff and scramWe're bustin' out on the funk
