

I'll Keep It With Mine

[Bob Dylan](#)

You will search, babe, at any cost
But how long, babe, can you search for what is not lost?
Everybody will help you
Some people are very kind
But if I can save you any time
Come on, give it to me
I'll keep it with mine I can't help it if you might think I am odd
If I say I'm not loving you not for what you are
But for what you're not
Everybody will help you
Discover what you set out to find
But if I can save you any time
Come on, give it to me
I'll keep it with mine The train leaves at half past ten
But it'll be back in the same old spot again
The conductor
He's still stuck on the line
And if I can save you any time
Come on, give it to me
I'll keep it with mine
