

# Out Is Through

Alanis Morissette

Every time you raise your voice, I see the greener grass  
Every time you run for cover, I see this pasture  
Every time we're in a funk, I picture a different choice  
Anytime we're in a rut, this distant grandeurMy tendency to want to do away feels natural  
My urgency to dream of softer places feels understandable  
But I knowThe only way out is through  
The faster we're in the better  
The only way out is through ultimately  
The only way out is through  
The only way we'll feel better  
The only way out is through ultimatelyEvery time that I'm confused, I think there must be easier ways  
Every time our horns are locked on towel throwing  
Every time we're at a loss, we've bolted from difficulty  
Anytime we're in, still made of final bowingMy tendency to want to hide away feels easier and  
The tendency is picturing another place, comforting to go  
But I knowThe only way out is through  
The faster we're in the better  
The only way out is through ultimately  
The only way out is through  
The only way we'll feel better  
The only way out is through ultimatelyWe could just walk away and hide our hands in the sand  
We could just call it quits, only to start all over again  
With somebody elseEvery time we're stuck in struggle, I'm down for the count that day  
Every time I dream of quick fix, I'm swaged  
Now I know it's hard when it's through  
And I'm damned if I don't know quick fix way  
But formerly mistreat me silence now outdatedMy tendency to want to run feels unnatural now  
The urgency to want to give to you what I want most feels good  
And I knowThe only way out is through  
The faster we're in the better  
The only way out is through ultimately  
The only way out is through  
The only way we'll feel better  
The only way out is through ultimatelyThe only way out is through  
The faster we're in the better  
The only way out is through ultimately  
The only way out is through  
The only way we'll get better  
The only way out is through ultimately
