

Drug Me (Blood Rooted Mix)

Sepultura

I don't want to think
Give me balls, go with my friends
Can't come up with anything
My brain needs stimulationDrug me, drug me
Drug me, drug meI'm so fucking tired
Got it waiting for us, gotta stay
TV and girls, third world
Make more to storeDrug me, drug me
Drug me, look outDrug me with natural vitamin C
Drug me with pharmaceutical speed
Drug me with your sleeping pills
Drug me with your crossword puzzlesDrug me with your magazines
Drug me with your fuck machines
All fake fuck it awayFinally off to work
Another potato-chip weekend
Go away, go away
Leave me alone, can't see myselfDrug me, drug me
Drug me
