Crazy

Gnarls Barkley

I remember when,

I remember, I remember when I lost my mind

There was something so pleasant about that place

Even your emotions have an echo in so much spaceAnd when you're out there without care

Yeah, I was out of touch

But it wasn't because I didn't know enough

I just knew too muchDoes that make me crazy?

Does that make me crazy?

Does that make me crazy?

PossiblyAnd I hope that you are

Having the time of your life

But think twice

That's my only adviceCome on now, who do you

Who do you, who do you think you are?

Ha ha ha, bless your soul

You really think you're in control? Well, I think you're crazy

I think you're crazy

I think you're crazy

Just like meMy heroes had the heart

To live their lives out on a limb

And all I remember

Is thinking, I want to be like themEver since I was little

Ever since I was little

It looked like fun

And it's no coincidence I've come

And I can die when I'm doneBut maybe I'm crazy

Maybe you're crazy

Maybe we're crazy

Probably

ouh ouh crazy
