

# Happy?

## Mudvayne

In this hole that is me  
The dead are rolling over  
In this hole thickening  
Dirt shoveled over shoulders  
I feel it in me so overwhelmed  
Oh, this pressured center rising  
My life overturned, unfair the despair  
All these scars keep ripping open  
Peel me from the skin  
Tear me from the rind  
Does it make you happy now?  
Tear meat from the bone  
Tear me from myself  
Are you feeling happy now?  
In this hole that is me  
A life that's growing feeble  
In this hole so limiting  
The sun has set all darkens  
Buried underneath  
Hands slip off the wheel  
Internal path way to contention  
Peel me from the skin  
Tear me from the rind  
Does it make you happy now?  
Tear meat from the bone  
Tear me from myself  
Are you feeling happy now?  
Are you happy  
Are you happy  
Are you feeling happy?  
In this hole that is me  
Left with a heart exhausted  
What's my release, what sets me free?  
Do you pull me up just to push me down again?  
Peel me from the skin  
Tear me from the rind  
Does it make you happy now?  
Tear meat from the bone  
Tear me from myself

Are you feeling happy now?  
Peel me from the skin  
Peel me from the skin  
Tear me from the rind  
Does it make you happy now?  
Tear meat from the bone  
Tear meat from the bone  
Tear me from myself  
Are you feeling happy now?  
Does it make you happy?  
Are you feeling happy?  
Are you fucking happy?  
Now that I'm lost left with nothing  
Does it make you happy?  
Are you feeling happy?  
Are you fucking happy?  
Now that I'm lost left with nothing?
