

Devil Woman (Orby Spectre Remix)

Marcy Playground

I, I love a devil woman
I, I love a dangerous girl
We can shake it all night, yeah
Yeah, I'll make you feel alright Sultry lady walk on by
She may have some other guy
But I don't care I'm on my train
Yes and mama, I'm coming home I, I love a devil woman
And I, I love a dangerous girl
Our bodies moving in time, yeah
Yeah, I'll make you move all night Lots of people say she's crazy
Man I must be crazy too
I don't care, I'll tell you one thing
Yeah mama, I'm coming home to you And you and I together
We're a match and gasoline burning
And you and I together
Like we're only seventeen learning And you're the only woman
Who has ever truly been my baby
And you're the only woman
Who has ever truly been my favorite
You're my favorite little girl I, I love a devil woman
I, I love a dangerous girl
