Jay-Z

Alright yeah
Would ya love me? Alright
Would ya hate me? Watch this yo
I know ya love me, alright
I know ya hate me, Clue
Would ya love me? Brand new Duro
Would ya hate me? I know ya love me
Feel this yo See me comin' through hair done just a slinging my shit
With something Gucci on clinging to my hips frontin'
With the Star Tech ringing in the whip icy ears, neck
Fingers for years got the show wild with the toes out
Shit I don't fuck with no stingy nigga, I rock Prada, Chanel
And Fendi nigga, what I'ma do with your little blunts And Henney nigga? I'ma Major Coin with a pretty Bentley
Nigga my niggas will ride for me, you should see all the things
They buy for me, it's obvious how I spend my time around ballers
All day don't have to spend a dime, callin' up room service when
It's dinner time get my tan on in the tropics in the winter time nigga Would ya love me? If we couldn't cop the
drop
Would ya hate me? If we couldn't drop the top
I know ya love me 'cuz you know we pop 4 Roc
I know ya hate me 'cuz you know we got shit locked Would ya love me? If we couldn't cop the drop
Would ya hate me? If we couldn't drop the top
I know ya love me 'cuz you know we pop 4 Roc
I know ya hate me and you know we got shit locked We gon' stop this here get this clear the general of the Roc

Beanie Siegal hottest thing on the block this year, keep the ego
We been bound to the top ya hear forget about it you don't know me
Yo stop the stares I've been about it pop you then pop ya peers
You know how I do six coup, top be clear, you know how
I play low layer Roc-A-Wear catch Siegal in the kitchen balloon
In the pie, y'all from whom to buy, y'all niggas know if y'all cross Mac y'all soon to die 'cuz you know I bring
heat like June and July
Spit like August I'm the truth I'm not lying I'm the reason why Jay
Feel comfortable retiring I gotta laugh 'cuz y'all work hard at this shit
Think about yo I just started this shit, just imagine if I put my heart
In this shit scary sight y'all niggas feel me right God damn yo

 I know ya love me 'cuz you know we pop 4 Roc
 I know ya hate me and you know we got shit locked
 Yo, yo, well I'm gold now, Memph Man coming of age
 And I'm grown now sittin' on chrome now, I'm the youngest gun
 I get it on with anyone, I've been in thirty beefs shit I'm barely 21
 Guns I hold 'em like offensive linemen, bring 'em back to the streets
 Like a brick on consignment interlining of the Mark Buchanan
 Spark two hammers Memph Man gold marks the understanding
 We don't engage in war we elope orange juice
 style
 Beat niggas to a pulp we broke nigga you just told
 3 jokes me, Biggs, and Dame we get some things
 See the six dames me and Biggs live in the Range
 Mines platinum his Champagne, niggas whisper 'cuz
 If they talk they gets slain, y'all's was looking for me
 On the charts the bricks came, left the same night
 In the morning the chicks came I just use rap to put
 Shit in my name the death's just a matter of time the
 Hit's been arranged contracts signed the shits in your
 Name, just to lame rap niggas I'm the king mother fuck
 The ring mami kiss the chain I don't got game to waste on y'all
 I'm don't think with my dick or chase my balls
 I'm a hustla
 Hit me with an eighth of raw and when I get on top
 I'ma blaze all y'all keep 'em laced some more I know you
 Want some things I drink a lot of water mami come clean
 Chicks I pump her then dump her cars we got 'em bumper
 To bumper rap niggas y'all days are numbered, nobody
 Drop nothin' next summer, yeah
