

All The Love In The World (LP Version)

The Corrs

I'm not looking for someone to talk to
I've got my friend, I'm more than O.K.
I've got more than a girl could wish for
I live my dreams but it's not all they say
Still I believe (I'm missing) I'm missing something real
I need someone who really sees me...(Don't want to wake...) Don't want to wake up alone anymore
Still believing you'll walk through my door
All I need is to know it's for sure
Then I'll give... all the love in the world I've often wondered if love's an illusion
Just to get you through the loneliest days
I can't criticize it
I have no hesitation
My imagination just stole me away
(Still...) Still I believe
(I'm missing) I'm missing something real
I need someone who really sees me...(Don't want to wake...) Don't want to wake up alone anymore
Still believing you'll walk through my door
All I need is to know it's for sure
Then I'll give... all the love in the world Love's for a lifetime not for a moment
So how could I throw it away
Yeah I'm only human
And nights grow colder
With no-one to love me that way
Yeah I need someone who really sees me...(Don't want to wake...) And i won't wake up alone anymore
Still believing you'll walk through my door
You'll reach for me and I'll know it's for sure
Then I'll give all the love in the world
(Don't want to wake up alone anymore...)
