

# Tender Falls the Rain

Randy Crawford

Tender Falls The Rain  
Tender falls the rain  
As I speak your name  
And what it means to me  
Tender falls the tears  
As I think of all the years  
And all the joy we shared Leaving me this way  
there's just no more words to say  
Except I love you baby  
I still love you baby I guess I couldn't see  
Just what you mean to me  
Until the rain began Tender falls the light  
As I hold our pillow tight  
In place of you dear  
Gently calms the pain  
As I call out your name  
He no longer hears  
No longer hears Leaving me this way  
there's just no more words to say  
Except I'm sorry baby  
I'm so so sorry baby  
I guess I couldn't see  
Just what you mean to me  
Until the rain began Leaving me this way  
there's just no more words to say  
Except I love you baby  
I still love you baby Deep inside I know  
This love would grow and grow  
Forever more Tender falls the rain  
Tender falls the rain
