No Surrender

Adam Turk

No surrender, even if it's over
No surrender
Stop pretending, you never cared for me
'Cos I remember, just remember
Words that we shared

And if you tell me to just walk away
And forget you forever
Then all I would say
Is, "No surrender"
Even if you leave me, no surrender
Stop pretending
You never said those things
'Cos I remember, I remember
One small mistake
Turned into a crime
Oh, but if I take the blame
You can go but I won't say goodbye
And if you tell me to just walk away
And forget you forever
Then all I would say
Is, "No surrender"
