

# Girl in the Mirror (feat. Silento)

## Sophia Grace

[Verse 1: Sophia Grace]

I wake up every day like hello, beautiful  
Cause this world is so crazy and it can bring you down  
You're too short, too fat, too skinny  
Hey, well excuse me if I think that I'm pretty  
So I don't care what you say cause I'm original  
I'm learning how to love me from my head down to my toes  
Let 'em know, let 'em know if you with me  
Hey, cause I finally found the answer is in me[Pre-Chorus: Sophia Grace]

My mama she keeps saying

Don't let 'em get you down

Had to learn to love me[Chorus: Sophia Grace]

That's why I'm talking to the girl in the mirror

Like even if you're down, better get up

Cause every set back's just a set up

For something just a little bit better

Oh, I'm talking to the girl in the mirror

Girl in the mirror

Girl in the mirror, girl in the mirror

Girl in the mirror, girl in the mirror[Verse 2: Sophia Grace]

Go to sleep at night with a smile on my face

Cause I know who I am and I can't ever be replaced

So go ahead, be proud, be different

Hey, just make sure you're one out of a million[Pre-Chorus: Sophia Grace]

My mama she keeps saying

Don't let 'em get you down

Had to learn to love me[Chorus: Sophia Grace]

That's why I'm talking to the girl in the mirror

Like even if you're down, better get up

Cause every set back's just a set up

For something just a little bit better

Oh, I'm talking to the girl in the mirror

Girl in the mirror

Girl in the mirror, girl in the mirror

Girl in the mirror, girl in the mirror[Verse 3: Silento]

So bae you did it, you took it to the top

You gotta keep going, the grind never stops

Say you won't do what I won't do

Yeah girl, I'm watching you

You got that swagger, you got that glow  
For all the doubters, just let them know  
Count up more, for days just go  
I love your soul and your rhythm flow  
Like oh yeah, I'm like oh yeah  
Put your hands in the air  
That girl power, that girl power  
Put your hands up for the girl power  
I like it, I won't bite it  
Keep it on cause I'm watching  
Keep going, just kill it  
So girl embrace your number one chance[Chorus: Sophia Grace]  
That's why I'm talking to the girl in the mirror  
Like even if you're down, better get up  
Cause every set back's just a set up  
For something just a little bit better  
Oh, I'm talking to the girl in the mirror  
Girl in the mirror  
Girl in the mirror, girl in the mirror  
Girl in the mirror, girl in the mirror
