

3 Libras (w/ Paz Lenchantin)

A Perfect Circle

Threw you the obvious and you flew with it on your back a name
In your recollection down among a million same
Difficult not to feel
a little bit disappointed and passed over
when I've looked right through to see you
naked but oblivious
and you don't see me But I threw you the obvious just to see
If there's more behind the eyes of a fallen angel
eyes of a tragedy Here I am expecting just a little bit too much
From the wounded but I see through it all and see you 'Cause I threw you the obvious to see what occurs behind
the
eyes of a fallen angel
Eyes of a tragedy
oh well, oh well apparently nothing
apparently nothing at all
