

# You Shouldn't Do That

## Hawkwind

You shouldn't do that, should do that  
 You shouldn't do that, should do that  
 You shouldn't do that, should do that  
 You shouldn't do that, should do thatYou shouldn't do that, should do that  
 You shouldn't do that, should do that  
 You shouldn't do that, should do that  
 You shouldn't do that, should do thatYou shouldn't do that, should do that  
 You shouldn't do that, should do that  
 You shouldn't do that, should do that  
 You shouldn't do that, should do that  
 You shouldn't do that, should do that  
 You shouldn't do that, should do that  
 You shouldn't do that, should do thatYou try so hard to get somewhere  
 They put you down and cut your hair  
 They're saying you're no good, they just don't care  
 You're trying to flyYou get nowhere, you get nowhere  
 You get nowhere, you get no air  
 You get no air, you get no air  
 You're getting aware, you're getting aware  
 You're getting aware, you get nowhere  
 You get no air, you're getting awareYou shouldn't do that, should do that  
 You shouldn't do that, should do that  
 You shouldn't do that, should do that  
 You shouldn't do that, should do thatYou shouldn't do that, should do that  
 You shouldn't do that, should do that  
 You shouldn't do that, should do that  
 You shouldn't do that, should do that  
 You shouldn't do that, should do thatYou want so hard to get somewhere  
 With trees and flowers growing there  
 If you can't make it you're going spare  
 You're trying to fly, you get nowhere  
 You get nowhere, you get nowhereYou get no air, you get no air  
 You get no air, you're getting aware  
 You're getting aware, you're getting aware  
 You get nowhere, you get no air  
 You're getting aware
