

# Silence

**PJ Harvey**

All those places  
Where I recall  
The memories that grip me  
And pin me down I go to these places  
Intending to think  
And think of nothing  
But anticipate Somehow expect you'll  
Find me there  
That by some miracle  
You'd be aware I'd risen this morning  
Intending to break  
The spell, my longing  
Not to think I freed myself from my family  
I freed myself from work  
I freed myself, I freed myself  
And remained alone And in my thinking  
Steal you away  
Though you never wanted me  
Anyway Silence, silence  
Silence, silence  
Silence, silence  
Silence, silence
