

Rush

Ferras

I kissed your sweet lips
I floated so high
Your eyes looked at mine
The world froze in time
What is this feeling?
I am on cloud nine
Guess Im still reeling from your body next to mine
CHORUS:
Its a rush I cant explain
Like you shot something crazy into my veins
And Im ten feet off the ground
And I dont want to come down
Dont want to come down I know youre sleeping
I wish you were right here
Cause my beds so empty
Id hold you so close dear
And I sang my song to you
Your smile was priceless
What else can I do?
Im a junkie over you
CHORUS:
Its a rush I cant explain
Like you shot something crazy into my veins
And Im ten feet off the ground
And I dont want to come down
Is it me, or is everything spinning
Im wide awake but I must be dreaming
Its like youre some kind of drug
Try to catch my breath
And see if Im still breathing
Touch my heart and make sure its beating
Its like Im falling in love
CHORUS:
Its a rush I cant explain
Like you shot something crazy into my veins
And Im ten feet off the ground.
And I dont , no I dont, no, dont want to come down
Dont want to come down
Gonna come down
