On My Way

Coldseed

Cold, black heart attack
Everyone just seems to be turning black
Who needs a soul, who needs it all
I see a brilliant solutionNo time to believe it or not
You gotta live and just stop to rot
Confirmation, for the nation
I'm gonna tell you what it's all aboutI'm on my way! [x2]
Stand tall and just make a change
Stand tall and just generate
You'll kill it all, you'll never fall
Fuck it up just rightCold, black heart attack
Everyone just seems to be turning black
Who needs a soul, who needs it all
I see a brilliant solution
I'm on my way! [x3] to face my pain
Nothing to report today [x3]I'm on my way! [x3] to face my pain
Nothing to report today [x4]
