

Cherish

Peter Andre

Cherish, cherish
So tired of broken hearts
And losin' at this game before I start
This dance I'll take a chance in telling you
I want more than just romance
You are my destiny
I can't let go baby, can't you see?
Cupid, please take your aim at me
Cherish the thought
Of always having you here by my side
Oh baby, I cherish the joy
You keep bringing it into my life
I'm always singing it
Cherish the strength
You got the power to make me feel good
Oh baby, I cherish the thought
Of ever leaving, I never would
I was never satisfied
With casual encounters, I can't hide
My need for two hearts that bleed
With burning love that's the way it's got to be
Romeo and Juliet
They never felt this way I bet
So don't underestimate my point of view
I cherish the thought
Of always having you here by my side
Oh baby, I cherish the joy
You keep bringing it into my life
I'm always singing it
Cherish the strength
You got the power to make me feel good
Oh baby, I cherish the thought
Of ever leaving, I never would
Who? You
Can't get away, I won't let you
Who? You
I could never forget to
Cherish is the word
I used to remind me of your love

Keep giving it, keep giving it to me
Boy, keep giving me all, all of your joy
Give me faith, I will always cherish you

Romeo and Juliet

They never felt this way, I bet
So don't underestimate my point of view

I cherish the thought
Of always having you here by my side
Oh baby, I cherish the joy

You keep bringing it into my life

I'm always singing it

Cherish the strength

You got the power to make me feel good

Oh baby, I cherish the thought

Of ever leaving, I never would

Cherish

Give me faith, give me joy

My boy, I will always cherish you

Cherish your strength

Keep giving it, keep giving it to me

Boy, keep giving me all, all of your joy

Cherish the love

Give me faith, give me joy

My boy, I will always cherish you
