

Black Mamba (OST Kill Bill: Volume 2)

Wu-Tang Clan

[Intro: Ol' Dirty Bastard]

BLACK MAMBA! [Chorus: all]

Uh huh huh.. Black Mamba!

Uh huh huh.. Black Mamba!

Uh huh huh.. Black Mamba!

Uh huh huh.. Black Mamba! [RZA]

Yo unbreakable steel sword swingin', face the Black Mamba

Deadly Vipers, squeeze ya life out like anacondas

In the story, off wit ya head, the scene is gory

Single-edged steel blade made by Hattori

Hanzo, you see the signature of brother Han' though?

Try to strike out, you get ya arm dismantled

Chief of the Yakuza's wicked like Medusa

with Crazy 88's too, 'bout to meet ya maker

[Ol' Dirty Bastard]

Ol' Dirty Bastard swordplay

Dirt McGirt be pickin' up skirts on 4th and Broadway

Japanese bitch be suckin' my dick

Peurto Rican hoes be lickin' my split

California Mountain Snake on debate

be givin' my head while I'm countin' my cake, crushin' up an 8th
of that snow white shit, in the Pussy Wagon not hittin' the brakes! [Chorus]

[Masta Killa]

Baaaaaamm.. hidden swordstyle hits, I wish

A nigga would test the Black Mamba, in a spit like the coma

Fill his Copperhead with the hollow tip lead

Yo.. who wanna dance with the fertile lands' deadly state?

Cottonmouth sticky from the Af' gooey

Blowin' smoke through the Viper Pit

Hold a listener tight, mic constrictor

Words from the theater, swift as Krishner [Chorus]
