

Old Fools, Bar Stools, And Me

[Damon Fowler](#)

Through the neon lights I can see
Green and Blue bottles That came between you and me
Moonshine moments that won't set me free Old Fools, Bar Stools, and me
At noon when I wake up The fog
hasn't cleared
I stumble through my kitchen as I hold back my tears
Just give me an hour and you shall see Old Fools, Bar Stools, And me
Instrumental x 3 I don't read my mail I
sure don't answer the phone
I'm not good with people but I can't stand being alone
So you wanna to find me? You know exactly where I will be
With Old Fools Bar Stools and Me (tag x 4)
