Truly Madly Deeply [Slow Version]

Cascada

I'll be your dream
I'll be your wish
I'll be your fantasy
I'll be your hope
I'll be your love
Be everything that you need
I'll love you more with every breath
Truly, madly, deeply do
I will be strong, I will be faithful
'Cause I'm counting on
A new beginning
A reason for living
A deeper meaning, yeah

[Chorus]
I wanna stand with you on a mountain
I wanna bathe with you in the sea
I wanna lay like this forever
Until the sky falls down on me

And when the stars are shining
Brightly in the velvet sky
I'll make a wish, send it to heaven
That make you want to cry
The tears of joy for all the
Pleasure in the certainty
That we're surrounded by the
Comfort and protection of

The highest power
In lonely hour
The tears devour you

[Chorus]

Oh, can't ya see it, baby?
You don't have to close your eyes
'Cause standing right before you
All that you need will surely come

I'll be your dream
I'll be your wish
I'll be your fantasy
I'll be your hope
I'll be your love
Be everything that you need
I'll love you more with every breath
Truly, madly, deeply do

[Chorus: x2]

I wanna stand with you on a mountain
