

Nothin' (Skacoustic) - Best Of

Reel Big Fish

Every time I try so hard I get nothin' (nothin')
They say try and you won't fail I get nothin' (nothin')
I did all that I could I got nothin' (nothin')
I tried so hard for nothin' (nothin')
I never wanted it that way guess there was nothin' I could say
I don't know what I want
But I know I don't want this
I give up I give in I know I'm never gonna win I know it's really not your fault
I'm gonna blame you anyway
You say you're sorry but I know it won't do no good
I give up, I give in, I know I'm never gonna win. I don't fuckin' care, I don't fuckin' care
I don't fuckin' care anymore
It's gonna be all right
Cause I don't fuckin' care anymore.
