

# Starlight

Taylor Swift

I said oh my, what a marvelous tune  
It was the best night, never would forget how we moved  
the whole place was dressed to the nines, and we were dancing dancing  
Like we're made of starlight  
Like we're made of starlight  
I met Bobby on the boardwalk, summer of 45  
Picks me up late one night at the window we were 17 and crazy running wild, wild  
Can't remember what song it was playing when we walked in  
That night we snuck into a yacht club party  
Pretending to be a duchess and a prince  
And I said oh my, what a marvelous tune  
It was the best night, never would forget how he moved  
the whole place was just to the nines, and we were dancing dancing  
Like we're made of starlight starlight  
Like we're made of starlight starlight  
He says "look at you worrying so much about things you can't change"  
You'll spend your whole life singing the blues if you keep thinking that way  
He was trying to skip rocks in the ocean saying to me  
"Don't you see the starlight starlight  
Don't you dream impossible things"

Like oh my, what a marvelous tune  
It was the best night, never would forget how we moved  
the whole place was just to the nines, and we were dancing dancing  
Like we're made of starlight starlight  
Like we're made of starlight starlight  
Ooh ooh he's talking crazy  
Ooh ooh dancing with me  
Ooh ooh we could get married  
Have ten kids and teach them how to dream  
[guitar]Oh my, what a marvelous tune  
It was the best night, never would forget how we moved the whole place  
Was just to the nines, and we were dancing dancing  
Like we're made of starlight starlight  
Like we're made of starlight starlight  
Like we're made of starlight starlight  
Like we dream impossible dreams  
Starlight starlight  
Like we dream impossible dreams

Don't you see the starlight starlight  
Don't you dream impossible things
