

Complicated

Good Charlotte

Alright, here we go, get down
One time for your mind, your body and your soul
Every time that I rhyme, you know I'm in control, alright, what?
Here we go, what? Here we go, here we go And we've been here for so many years
Still it seems as if you're not there, are you there?
Every time I talk, you turn away, do you care?
Isn't that an obligation to care?
And we said And we've been here for so many years
So many years still it seems, what?
You're so complicated, yeah you're overrated, well alright
You're complicated, well this feeling is love Well, I came in the door, yeah I said it before
I never let the stress get me down no more
Giving thanks to the Lord, you know I pray every day
I'm giving shouts to my peeps and this is what we say
And we said And we've been here for so many years
So many years still it seems, what?
You're so complicated, yeah you're overrated, well alright
You're complicated, well this feeling is love You left us one little room with a black and white TV
One eviction notice and a bill for therapy
You're living all alone, you're like a dog without a bone
I said, You're living all alone because you left us all at home Well you had a second chance but you threw it all
away
A fourth, a fifth, a sixth but that was yesterday
Now you're sitting at a bar your just drowning in your tears
You're lonely in the corner, while everybody cheers
And we said And we've been here for so many years
So many years still it seems
And we've been here for so many years
So many years still it seems, what?
You're so complicated, yeah you're overrated, well alright
You're complicated, well this feeling is love
