She Shall Remain Nameless

Brie Larson

I guess you got it figured out
You got it sorted in little rows
You got the girls on one side
The guys on the other
It's all out of control
How could you feel so threatened
By someone you like to ignore
We all know you see me and please believe me
When you see the score look a little closer
I don't care what you say
They're gonna call me anyway
And I don't care how you feel
They like me 'cause I'm real
And I don't care what you do
I'm gonna see whoever I choose
And I don't care if you keep score
'Cause no matter how you add it
The boy's not yours
I don't care if you keep score
'Cause no matter how you add it
The boy's not yours
You're always pushin' and shovin'
Your assets in their face
But it's gonna take more than a gold-cut girl
For you to take my place
Life is not a competition
If it is, you've lost the race
'Cause the melody's all that matters
Not the piercing on your face
When are you ever gonna learn
That the boy's not yours
I don't care what you say
They're gonna call me anyway
And I don't care how you feel
They like me 'cause I'm real
And I don't care what you do
I'm gonna see whoever I choose
And I don't care if you keep score
'Cause no matter how you add it

The boy's not yours
I don't care if you keep score
'Cause no matter how you add it
The boy's not yours
I think it's pretty funny
How I thought we could be friends
But you proved to me your loyalty
And here is where it ends
Your sudden isolation
Doesn't take me by surprise
Because close the door
Now I'm so sure you'll believe in your own lies
When are you ever gonna learn
That the boy's not yours
I don't care what you say
They're gonna call me anyway
And I don't care how you feel
They like me 'cause I'm real
And I don't care what you do
I'm gonna see whoever I choose
And I don't care if you keep score
'Cause no matter how you add it
The boy's not yours
I don't care if you keep score
'Cause no matter how you add it
The boy's not yours
I don't care what you say
They're gonna call me anyway
And I don't care how you feel
They like me 'cause I'm real
And I don't care what you do
I'm gonna see whoever I choose
And I don't care if you keep score
'Cause no matter how you add it
The boy's not yours
I don't care if you keep score
'Cause no matter how you add it
The boy's not yours
But it might be mine
