Wanted single F under 33  
Must enjoy the sun, must enjoy the sea  
Sought by single M, Mrs. Destiny  
Send photo to address, is it you and me? Reply to single M, my name is Caroline  
Cell phone number here, call if you have the time  
28 and bored, grieving over loss, sorry to be heavy  
But heavy is the cost, heavy is the cost Reply to Caroline, thanks so much for response  
These things can be scary, not always what you want  
How about a drink? The Ancient Club at noon  
I'll phone you first I guess, I hope I see you soon I never got your name, I assume you're 33  
Your voice it sounded kind, I hope that you like me  
When you see my face, I hope that you don't laugh  
I'm not a film star beauty, I'll send a photograph, I hope that you don't laugh Note to single M, why did you not  
show up?  
I waited for an hour, I finally gave up  
I thought once that I saw you, I thought that you saw me  
I guess we'll never meet now, it wasn't meant to be, it wasn't meant to be  
I was sure you saw me but it wasn't meant to be Wanted single F under 33  
Must enjoy the sun, must enjoy the sea  
Sought by single M, nothing too heavy  
Send photo to address, is it you or me? Is it you or me? Is it you or me?  
Is it you or me?  
Is it you or me?  
Is it you or me?
