

# Pandora (With Segue 1)

## Madina Lake

The way you dance it turns me on  
But you know that I'm spoken for  
The way your sweat drips off your chest  
You know that I'm wanting more the lust, the sex, the heat, this sweat  
And nothing else matters  
You call my name without your dress I already forgot her  
You have no idea what you do to me  
And you, you have no idea what your doing to me Pandora, I don't know how you carved your way into my heart  
And I don't know how you snuck your way into my house  
But I know that I'll regret what I did  
And I know I'll regret it forever as I throw my life away, Pandora the girl I love sits at home and I know that  
she's lonely  
But I'm watching you take off your clothes  
Your the star of this movie  
The love the hate the guilt my fate is hanging in the balance  
You have no idea what you do to me (Pandora)  
Oh you don't even care what you mean to me Pandora, I don't know how you carved your way into my heart  
And I don't know how you snuck your way into my house  
But I know that I'll regret what I did  
And I know I'll regret it forever as I throw my life away, Pandora and by the time that I come home she's  
already sleeping  
Sit on the bed and take off my clothes  
My nerves their shaking  
The lies the sex the heat this sweat  
Your body is quaking  
The love the hate the guilt my fate  
Against this temptress Pandora, I don't know how you carved your way into my heart  
And I don't know how you snuck your way into my house  
But I know that I'll regret what I did  
And I know ill regret it forever as I throw my life away (forever as I throw my life away)  
Forever as I throw my life away, Pandora
