## Iguanas de trapo

Climb upon my faithful steed  
Then we gonna ride  
Gonna smoke some weed  
Climb upon my big ass steed  
And ride, ride, ride  
What's the name of the song?  
Explosivo  
Don't know what it's about  
But it's good to go  
What's the name of my girlfriend?  
I don't know  
But she's built like the shit  
And she's good to go, go  
She's good to go  
She's good to go  
We are fueled by Satan  
Yes we're schooled by Satan  
Fueled by Satan  
Writin' those tasty riffs  
Just as fast as we can  
Schooled by Satan

We were the inventors  
Of the cosmic astral code  
We've come to blow you away  
We've come to blow your nose  
We've come to fuckin' blow  
We've come to blow the show  
We've come to fuckin' blow  
You know it, you know it  
What's the name of the song?  
Explosivo  
Don't know what it's about  
But it's good to riddle  
I am not one of you  
I come from an ancient time  
I am known as the Kicker of Elves  
I am also known as the Angel Crusher  
Explosivo
