Scream Baby Scream

The Afterdarks

A world beyond your wildest screams
Ghosts and goblins
Spooks and creeps
Welcome to creature feature,
Number 13
I?
I know what you?re thinking
That I?
Bury the living.
Creeping through the mortuary
Bite your nails it?s getting scary.
Creeping crawling in the murk
Digging through the dirt
GRAVEROBBER
Average everyday cadaver
Blood spatter, what?s the matter
Corpse grinder body thief
Let me be your trick or treat
A world beyond your wildest screams
Ghosts and goblins
Spooks and creeps

Welcome to creature feature,
Number 13
Scream baby scream
I?
Know that it sounds strange
That I?
Want to eat your brains
Creeping through the mortuary
Bite your nails it?s getting scary.
Creeping crawling in the murk
Digging through the dirt
GRAVEROBBER
Average everyday cadaver
Blood spatter, what?s the matter
Corpse grinder body thief
Let me be your trick or treat
A world beyond your wildest screams

Ghosts and goblins
Spooks and creeps
Welcome to creature feature,
Number 13
Scream baby scream
