Sorry

Sweetbox

I never
I never
Don't wanna make you said
I never wanna make you lie
I never wanna see you cry(verse 1)
Shadows in your eyes
Your smile is colored black
You don't need someone who never saw your empty life
I never made you smile I promise deep inside
I'm gonna be the one who's gonna keep you satisfied
I'll make it up to
I promise to
I really wanna tell you I'm sorry
You're just a part of me
And I can't let you go
Please forgive me(chorus)
It's really hard to tell you I'm sorry
I don't wanna break your heart again
It's really hard to tell you I'm sorry
I don't wanna see you cry again
It's really hard to tell you I'm sorry
Is there anything that I can do
It's really hard to tell you I'm sorry
I don't wanna break your heart again(verse 2)
I'm sorry for the lies
That I kept telling you
I'm sorry for the things I never said to you
Expect to get your call almost everytime
No matter what they said
I kept pretending I was fine
But I can't hide the truth
I never can
It's really hard to say I'm sorry
You're just a part me and I can't let you go
Please forgive meI never
I never
Don't wanna make you said
I never wanna make you cry
I know I know I know

Mmmmh I know just wanna tell you I'm sorry
