

Static Age

Misfits

Static, static, static
We're on a video rage
Static, static, static
We're on a video rageWe're all blue from projection tubes
We're all blue from projection tubesThis is the static age we live in
Our eyes criss-cross, hold and gaze
This is the static age we live in
Breathe in, catch your radiation
Blue disease and turning, tossingThis is a static age
Our very static age
This is a static ageStatic, static, static
We're on a video rage
Static, static, static
We're on a video rageAnd we're all blue from projection tubes
We're all blue from projection tubes
