Blues For Mama

J.J. Cale

Blues for mama
Blues for mamaIt just seems wrong to sing this song
'Cause she's not here where she belongsBlues for mama
Blues for mamaRest her soul, she's grown so cold
Her touch is like the winter snowBlues for mama
Blues for mamaShe went away only yesterday
I couldn't help, what can I say?Blues for mama
Blues for mamaBlues for mama
Blues for mamaShe made her run
She can't be done
She's the only oneBlues for mama
Blues for mama
