

# Every Rose Has Its Thorn

Miley Cyrus

We both lie silently still  
In the dead of the night  
Although we both lie close together  
We feel miles apart inside  
Was it something I said or something I did  
Did my words not come out right  
Though I tried not to hurt you  
Ya, I tried but I guess that's why they say  
Every rose has its thorn  
Just like every night has its dawn  
Just like every cowboy sings his sad, sad song  
Every rose has its thorn, yeah, it does  
I listen to our favorite song  
Playing on the radio  
Hear the DJ say love's a game  
Of easy come and easy go  
But I wonder, does he know  
Has he ever felt like this  
And I know that you'd be here right now  
If I, I could let you know somehow  
Every rose has its thorn  
Just like every night has its dawn  
Just like every cowboy sings his sad, sad song  
Every rose has its thorn  
Though it's been a while now  
I can still feel so much pain  
Like a knife that cuts you, the wound heals  
But the scar, that scar will remain  
Every rose, every rose  
Every rose has its thorn  
I know I could have saved a love that night  
If I'd known what to say  
Instead of makin' love  
We both made our separate ways  
And now I hear you found somebody new  
And that I never meant that much to you  
To hear that tears me up inside  
And to see you cuts me like a knife  
Every rose has its thorn  
Just like every night has its dawn  
Just like every cowboy sings his sad, sad song  
Every rose has its thorn
