

# Inertia Creeps (Remastered)

## Massive Attack

Recollect me darling raise me to your lips  
Two undernourished egos four rotating hips  
Hold on to me tightly I'm a sliding scale  
Can't endure then you can inhale  
Clearly  
Out of body experience interferes  
And dreams of flying I fit nearly  
Surrounds me though I get lonely  
SlowlyMoving up slowly  
Inertia keeps  
She's moving up slowly  
Slowly  
Moving up slowly  
Inertia creeps  
Moving up slowly  
She comes  
Moving up slowly  
She comes  
Moving up slowly  
Inertia creeps  
Moving up slowly  
She comes  
Moving up slowly  
Moving up slowlyIn my home no chrome as clear as  
See me now with my nearest dearest  
Been there when I'm over careering  
Room shifting is endearing  
Between us is our kitchen  
Would you found my irritant's itching  
Been here before  
Been here foreverMoving up slowly  
Inertia keeps  
Moving up slowly  
Inertia creeps  
Moving up slowly  
Inertia keeps  
Moving up slowly  
She comes  
Moving up slowly

Moving up slowly  
She comes moving up slowly  
Inertia creeps moving up slowlyShe comes  
There be no sound in my eidertown  
Awake I lie in a morning's blue  
Room is still my antenna in you  
Nylon burns the bedspread with two  
Gravity's zero see me stall  
I bounce off walls lose my footing and fall  
It can be sweet though incomplete though  
And the frames will freeze  
See me on all four's  
It's been a long timeShe comes  
She comes  
I want to x you  
She comes  
I want to x you  
She comesI caught your radio waves  
I caught your radio waves  
Will you take a string  
Say you string me along  
Say you string me along  
Say inertia creeps  
Inertia creeps and she comes  
Say she comes  
Say she comes  
Say she comes  
Say she comes
