Freak U

Nils Landgren Funk Unit

Come on baby
You won't have to say 'you please'
Darling tell me, what it is you need
Darlin' you're all that
Just say that your're for real
You better believe that
I got the funk to make you feel good
Soooohoooohoooo
This funk is so nasty baby
Soooohoooohoooo
And you're so freaky baby
Sooohooohoooo
Sofisticated
Sooohooohooo
Baby I freak you
Like no one done before
Baby I freak you
Just get down with the funk on the floor
I freak you
Funk unit is in your town
And I freak you
You gotta get high just to get down
Funk unit in the house and we know how to get down
Funk unit in the house and we know how to get down
Sooohoooohoooo
Sooohoooohoooo
We know how to get down
Sooohoooohoooo
Baby I freak you
Like no one done before
Baby I freak you
Just get down with the funk on the floor
I freak you
Funk unit is in your town
Freak you
Freak you
Freak you
Funk unit and we know how to get down
Freak you

Freak you
Freak you
Getting down with funk
Freak you
Getting down with funk
Freak you
Freak you
Get down punks
