

Gratitude (Live At Budokan)

Beastie Boys

Good times gone, and you missed them
What's gone wrong in your system?
Things they bounce like a Spaulding
What'd you think, did you miss your calling?
It's so free, this kind of feeling
It's like life, it's so appealing
When you've got so much to say it's called gratitude
And that's right
Good times gone but you feed it
Hate's grown strong, you feel you need it
Just one thing, do you know you?
What you think, that the world owes you?
What's gonna set you free?
Look inside and you'll see
When you've got so much to say it's called gratitude
And that's right
