

# I've Been Loving You

## The Milk Carton Kids

've been loving you  
The way I wanted to  
The way I thought that you  
Wanted my love  
I've been loving you  
Been loving you all night long  
But the light has come  
To me, I see  
I've been loving you  
Been loving you all right Try to believe I love you  
In the night, how I cry  
I cry of you  
I've been loving you  
Been loving you all wrong  
I cry  
I cry  
I cry  
I cry
