

# There Is a Light That Never Goes Out

## Morrissey

Take me out tonight  
Where there's music and there's people  
Who are young and alive  
Driving in your car  
I never, never want to go home  
Because I haven't got one anymore  
Take me out tonight  
Because I want to see people  
And I want to see light  
Driving in your car  
Oh, please don't drop me home  
Because it's not my home, it's their home  
And I'm welcome no more  
And if a double-decker bus  
Crashes into us  
To die by your side  
Is such a heavenly way to die  
And if a ten-ton truck  
Kills the both of us  
To die by your side  
Well, the pleasure, the privilege is mine  
Take me out tonight  
Oh, take me anywhere  
I don't care, I don't care, I don't care  
And in the darkened underpass  
I thought, oh God, my chance has come at last  
But then a strange fear gripped me and I just couldn't ask  
Take me out tonight  
Oh, take me anywhere  
I don't care, I don't care, I don't care  
Driving in your car  
I never, never want to go home  
Because I haven't got one  
I haven't got one  
Oh, oh, oh, oh, oh  
And if a double-decker bus  
Crashes into us  
To die by your side  
Is such a heavenly way to die  
And if a ten-ton truck  
Kills the both of us, so what  
To die by your side  
Well, the pleasure, the privilege is mine  
Oh, there is a light, never goes out  
There is a light, never goes out
